Maintain your equipment in top operating condition

Don't like to change
your own blade?

Want to ensure
staff safety?

With our Blade Change Program, we will remove the dull blade, install your sharp blade and adjust for optimum cutting. Choose the right plan for your office based on machine usage.

Blade Change Programs...

Bronze

Blade change 4 times / year
\$ 460.00 - Zone One
\$ 580.00 - Zone Two
\$ 725.00 - Zone Three

Silver

Blade change 6 times / year
\$ 630.00 - Zone One
\$ 820.00 - Zone Two
\$ 1020.00 - Zone Three

Gold

Blade change 12 times / year
\$ 1160.00 - Zone One
\$ 1380.00 - Zone Two
\$ 1550.00 - Zone Three

Here is what is included:

- safely remove dull blade by qualified technician
- install your sharp blade
- rotate or replace cut stick
- adjust blade depth of cut and parallel
- check for squareness of cut (additional charge may apply if this needs adjustment)
- take away dull blade for sharpening
- sharpening of blade
- storage of your sharp blade till next change
- labour and travel

Terms and Conditions:

- you must have a minimum of 2 blades
- repairs of chipped or damaged blades may incur additional charges
- spare cut sticks not included
- pricing of program based on size of blade / machine, travel distance from our Hamilton office location (when we are in the area)
- Program available for all MBM, Ideal, EBA and most other cutters
- shipping sharp blade back to customer is available at an additional cost
- paid in full in advance each year - all applicable taxes are extra
- some other conditions may apply
- this does not negate the need for full routine machine maintenance and lubrication to ensure machine longevity and reliability

Zone One: up to 35 kms (from office one way for all Zones) - **Zone Two:** 36-60 kms. - **Zone Three:** 61-100 kms.
